NOTES TO THE FINANCIAL STATEMENTS FOR THE YEAR ENDED 30 JUNE 2022

1. SUMMARY OF ACCOUNTING POLICIES

(a) Basis of preparation

These financial statements are a special purpose financial report. The report is prepared for distribution to the members for the purpose of fulfilling the requirements of the rules and regulations of the Association.

The Committee has determined that the Association is not a reporting entity and therefore there is no requirement to apply Accounting Standards and other mandatory professional reporting requirements (Urgent Issues Group Consensus Views) in the preparation and presentation of these financial statements.

They have been prepared in accordance with all accounting standards and other mandatory professional reporting requirements that have a material effect with the following exceptions:

- AAS 10 Accounting for Revaluation of Non-Current Assets
- AAS 16 Financial Reporting by Segments
- AAS 22 Related Party Disclosures
- AAS 24 Consolidated Financial Reports
- AAS 28 Statement of Cash Flows

The financial statements are prepared on an accruals basis. They are based on historical costs and do not take into account changing money values or, except where stated, current valuations of non-current assets.

The following specific accountings policies have been adopted in the preparation of these financial statements and except where stated are consistent with prior years:

(b) Going Concern

The financial statements have been prepared on a going concern basis. The continued viability of the Association is dependent upon continued contribution by the members.

(c) Grants

Grants received are treated as an unexpended grant liability until such time as they are expended. Expenditure from grant funds is recorded as a reduction in the unexpended grant liability and recognised as income as the grant funds are expended. Grants received in trust for other organisations are not recognised as income.

(d) Property, Plant and Equipment

Property, plant and equipment are carried at cost less, where applicable, any accumulated depreciation. The depreciable amount of all PPE is depreciated over the useful lives of the assets to the Association commencing from the time the asset is held ready for use. Leasehold improvements are amortised over the shorter of either the unexpired period of the lease or the estimated useful lives of the improvements.

(e) Impairment of Assets

At each reporting date, the entity reviews the carrying values of its tangible and intangible assets to determine whether there is any indication that those assets have been impaired. If such an indication exists, the recoverable amount of the asset, being the higher of the asset's fair value less costs to sell and value in use, is compared to the asset's carrying value. Any excess of the asset's carrying value over its recoverable amount is expensed to the income statement.

(f) Employment Benefits

Provision is made for the Association's liability for employee benefits arising from services rendered by employees to balance date. Employee benefits have been measured at the amounts expected to be paid when the liability is settled

NOTES TO THE FINANCIAL STATEMENTS FOR THE YEAR ENDED 30 JUNE 2022

(g) Provisions

Provisions are recognised when the Association has a legal or constructive obligation, as a result of past events, for which it is probable that an outflow of economic benefits will result and that outflow can be reliably measured. Provisions are measured at the best estimate of the amounts required to settle the obligation at reporting date.

(h) Cash and Cash Equivalents

Cash and cash equivalents includes cash on hand, deposits held at call with banks, and other short-term highly liquid investments with original maturities of three months or less.

(i) Revenue and Other Income

Revenue is measured at the fair value of the consideration received or receivable after taking into account any trade discounts and volume rebates allowed. For this purpose, deferred consideration is not discounted to present values when recognising revenue.

Interest revenue is recognised using the effective interest rate method, which for floating rate financial assets is the rate inherent in the instrument. Dividend revenue is recognised when the right to receive a dividend has been established.

Grant and donation income is recognised when the entity obtains control over the funds which is generally at the time of receipt.

All revenue is stated net of the amount of goods and services tax (GST).

(j) Goods and Services Tax (GST)

Revenue, expenses and assets are recognised net of the amount of GST, except where the amount of GST incurred is not recoverable from the Tax Office. In these circumstances the GST is recognised as part of the cost of acquisition of the asset or as part of an item of the expense. Receivables and payables in the balance sheet are shown inclusive of GST.

(k) Income Tax

The Association is exempt from Income Tax under sections 50-5, 50, 55 & 65 of the Income Tax Assessment Act 1997.
